To Whom It May Concern:

I would like take a moment of your time to tell you about Diaz Painting. Rene Diaz, owner of Diaz Painting, has been repainting Discount Tire stores since April of 2008.

Rene makes it his mission to be professional and punctual. Diaz Painting will go above and beyond what is expected to satisfy myself and our store managers.

I am confident in recommending Diaz Painting. I think that you will be as pleased as I have been with their overall job performance.

Sincerely,

A handwritten signature in blue ink, appearing to read "Pat Cary".
